

“A fantastic venue and event space”

THE PERFECT VENUE FOR YOUR NEXT CORPORATE EVENT

Centrum, at Norwich Research Park, offers flexible corporate event space for your offsite meetings, team events and celebrations.

Howes Percival’s Business Development and Marketing Executive, Trudie Rumbelow, hosted a networking event at Centrum recently and commented:

“The team at Centrum, Norwich Research Park, are fantastic! From the planning stages to hosting the event on the day, they worked hard to ensure everything was in place and that we were happy with the space. The food was delicious and the attention to detail was excellent. Great service and a wonderful venue which can be adapted to suit any type of event. We look forward to using the venue again and would highly recommend!”

Whether you have a summer social event to plan, a networking event to bring people together or a formal sit-down dinner for clients, Centrum is the venue for you
